Happy 100th Birthday Arizona

Arizona became a state on February 14, 1912. It was the last of the 48 contiguous states to be admitted to the union. You can check out <http://www.azcentral.com/centennial> to learn some fun facts about Arizona and find out about centennial celebrations happening near you.

What's Behind A Temper Tantrum? Scientist Deconstruct the Screams

The temper tantrum is one of the most traumatic rites of parenthood. We dread them. If you have young children in your family, you may have witnessed one recently. So far, hard science hasn't had much to say about tantrums, but that's changing. New research has the potential to help parents cope with this and turn what is widely seen as a dreaded event into a cause for curiosity.
