Children of the World

"Each second we live is a new and unique moment of the universe that will never be again. And what do we teach our children? That two and two make four, and that Paris is the capital of France. We should say to each of them, Do you know what your are? You are a marvel. You are unique. In all the years that have passed, there has never been another child like you. Your legs, your arms, your clever fingers, the way you move. You may become a Shakespeare, a Michelangelo, a Beethoven. You have the capacity for anything. Yes, you are a marvel. And when you grow up, can you then harm another who is, like you a marvel? We must all work to make the world worthy of its children."

~ PABLO CASALS

The Staff at Montessori Children's House and School have enjoyed this school year and look forward to the next with your children! If you have questions about next years tuition see Shana for scholarship and tax credit information.
