## To Supporters of Montessori Children’s House/School,

**A new School Tuition Organization is accepting donations in behalf of our students – Dynamite Montessori**

**Foundation, Inc.** It is on the Arizona State approved list - their “Donation Submission Form” is attached.

MONTESSORI  
CHILDREN’S HOUSE

For more information, please visit our website [www.phxchildrenshouse.com/AZtaxCredit.pdf](http://www.phxchildrenshouse.com/AZtaxCredit.pdf) or contact Kay (602-997-5139). Donations made any time before 4-15-2012 qualify for 2011 AZ tax credit. If you like, we will be happy to take your donations to Dynamite Montessori. Remember, this contribution can cost you nothing if you have Arizona Tax liability. Married couples, filing jointly can now contribute up to \$1000 and individuals may contribute up to \$500. You do not have to donate the full amount to take advantage of this tax credit. Donations help pay school expenses of all kinds by providing scholarships to needy children who attend our school for reduced or no tuition. We have many students who are only able to attend our school if they have a scholarship. We have always accepted these students hoping that donations will help pay the costs involved.

***We want to thank all of you who have helped support deserving children in our Montessori programs in the past through your Arizona Tax Credit Donations. Your gifts acknowledge the importance of good early childhood care and education and recognize the lasting effect a child’s early years will have on his or her life and therefore on our society in general.***

### Child Stars

One of the unique experiences for the children in our elementary program is performing in a historical play. This year’s play depicts United States history. As three characters travel in a “time machine”, they visit and discuss scenes out of our past. Each student plays a role in the history of a time period. This is a true example of “learning by doing” and it is amazing how much the children absorb and retain about history. In addition, they get a chance to produce a play of their own.

The production is March 14. Unfortunately space limitations make it necessary to limit the evening performance to guests of “actors” only. However all children in the primary and beginners classes will have the opportunity to see the play by watching the dress rehearsal on the day of the show. This exciting event is another reason children should continue in Montessori for elementary!
