TUITION & FEES

Other Fees

Registration Fees - \$100 (non-refundable)

If the student continues through their kindergarten year for the Primary Program or 4th grade year for the Elementary Program, this fee will be applied to the last session's tuition. This fee can also provide a one week trial period for the Beginner Program, allowing parents to determine their child's readiness for school before the 1st month's tuition is due.

Parent Involvement Fee - \$100/family/year

Payable in money or services. \$50 credit is given for parents who participate in our Parent Workday, held once each semester. Parent workdays help us provide a quality environment without having to pay outside laborers. This keeps tuition prices down.

Elementary Materials Fee - \$100/year

We accept all applications without regard to race, creed, or ethnic background.
